Let us help you rediscover the joy of practicing medicine.

“Throughout my 39 year history in healthcare, I have dealt with many billing and RCM companies, and I would say ARIA is the top of the list. We have decreased our denials by 16.25% and have increased our net collections by 21%. That’s significant.”

ALBERT ESPOSITO, EXECUTIVE DIRECTOR
UNIVERSITY PHYSICIANS GROUP*

Revenue Cycle Management

Working in healthcare, you face more obstacles to payment than in any other industry. Margins are tight and regulations are changing. Meanwhile, the complexity of billing processes often leads to costly mistakes.

ARIA Health Services understands. We partner with you to provide an expert billing service that keeps your revenue cycle running smoothly.

27%

faster reimbursements

ARIA RCM Services customers experience an average of 11 days in AR less than MGMA industry averages

Technology Choice

ARIA RCM Services works with you to build the most efficient path to a healthier bottom line. We can use your technology, or you can use ours. Pick the path of least disruption.

Full Transparency

As a member of your team, **ARIA RCM Services** believes in full transparency. We use open systems and deliver detailed reporting, so you remain in full control.

Regulatory Expertise

Our regulatory and payment experts stay ahead of the latest CMS and payer requirements. We minimize denials, reduce your days in accounts receivable, and increase payment velocity.

Operational Efficiency

ARIA RCM Services are paired with proprietary workflow technology. We deliver better results at a lower cost.

Customization

We have the expertise to craft a solution that fits your needs. We can help with end-to-end billing services for a small practice or customized services for large healthcare entities.

Business Alignment

Our team is tenacious. We are 100% aligned to collecting every dollar you've earned. We only get paid when you get paid.

Credentialing & Enrollment

As a practice administrator, your time is too valuable to be spent on paperwork.

Let **ARIA Health Services** handle the management and administration of provider certifications and payer enrollments, all at a fraction of the cost and time of doing it yourself.

Enrollment Services

Reduced Complexity

Our credentialing and enrollment services smooth the burdensome process of taking new clinicians through payers' extensive requirements.

Enrollment Services

Working with nearly any provider organization, we help prepare the detailed information you need for enrollments. We organize, prepare, and monitor your privilege applications.

Dedicated Team

Working as an extension of your staff, your dedicated account executive will guide you through the ins and outs of Medicare, Medicaid, and commercial enrollment.

Full Transparency

We make it easy to monitor your applications. Our proprietary, online portal includes a real-time plan participation tracking grid, enrollment status tracking, and regular reporting.

Increased Satisfaction

We keep revenue flowing, improve provider and patient satisfaction, and minimize coverage and referral risks.

Credentialing

We have the rigorous processes in place that you can rely on to deliver comprehensive primary source verification. We can help you get quality provider reviews more easily.
