## CALENDAR & BOOKINGS

Stay on top of your calendar with online scheduling and MEDISTAR's helpful appointment reminders to reduce no-shows. Balance your practice and tele-mental health sessions, and block out self-care time in your busy week.

## CASE NOTES

Let MEDISTAR act as your patient medical memory that is always up-to-date. Call up historical case note at the point of care and always know that your sensitive client data is stored securely. Easily attach hand written notes or other documents.

## MEDICAL BILLING

Your billing and medical claims sorted! Give clients transparency regarding their medical fees by sending claims in real-time. Ease your pain of collecting payments by knowing exactly what's covered. Spend less time chasing up accounts and more time with your clients.

## FAST & EASY PAYMENTS

MEDISTAR gives you the tools to take control of your business and build a thriving therapy practice. Automate your billing and offer your clients many ways to pay - credit card, SnapScan, Maestro and more.

## TELE-MENTAL HEALTH

Ensure continuity of mental care for your clients no matter where they are in South Africa. CLICKDOC video consults by MEDISTAR is seamlessly integrated into your day-to-day workflow. Plus bank-level encryption to secure client conversations.
