Press release, May 06, 2021

Ralph Körfggen to leave CGM in October

Koblenz. Ralph Körfggen will leave CompuGroup Medical (CGM) on Oct. 31, 2021, as he seeks new professional challenges. As a member of the executive management board he is responsible for the Ambulatory & Pharmacy Information Systems segments since November 2018. Ralph Körfggen will continue in his role until the end of his contract term to ensure a smooth handover.

"We regret Ralph's decision, he led the transformation of the segment and for our future growth at an important time. He leaves behind a well-positioned business that has grown profitably throughout the three years of his leadership," said Frank Gotthardt, Founder and Chairman of the Board of CGM. "I respect Ralph's wish not to renew his contract in order to tackle new challenges. On behalf of the Board, I would like to thank him for his outstanding contribution and wish him all the best for the future."

About CompuGroup Medical SE & Co. KGaA

CompuGroup Medical is one of the leading e-health companies in the world. With a revenue base of EUR 837 million in 2020, its software products are designed to support all medical and organizational activities in doctors' offices, pharmacies, laboratories and hospitals. Its information services for all parties involved in the healthcare system and its web-based personal health records contribute towards safer and more efficient healthcare. CompuGroup Medical's services are based on a unique customer base of more than 1.6 million users, including doctors, dentists, pharmacists and other health professionals in inpatient and outpatient facilities. With locations in 18 countries and products in 56 countries worldwide, CompuGroup Medical is the e-Health company with one of the highest coverages among e-health service providers. Approximately 8,000 highly qualified employees support customers with innovative solutions for the steadily growing demands of the healthcare system.
