healthcare professional needs to
streamline their practice.

CompuGroup Medical
South Africa

CompuGroup
Medical

Technology shaping the future of healthcare, the CGM MEDISTAR platform is the answer to next generation medical care, streamlining business processes and improving the patient experience across the entire continuum of care.

Connect with
your clients

At CGM, we believe that extraordinary healthcare starts with exceptional client care.

Streamline
your processes

With smart practice, communications and finance management, CGM MEDISTAR transforms the way Allied Health professionals DO health care.

Grow your
private practice

Say yes to 5-star communication, satisfied clients and financial health. Get the best value with appointments, video consults, medical billing, easy payments and a whole lot more.

Bundled with a powerful suite of products, CGM MEDISTAR has everything you need to streamline your healthcare practice.

QUALITY LIFESTYLE

As a healthcare professional, you work tirelessly to improve your clients' quality of life.

Efficiency is not just about productivity, it affects the quality of care. That's why we say goodbye to archaic paper processes and yes to the practice that is centred on the client.

STREAMLINED PRACTICE MGMT

You need a virtual Practice Manager to carry the admin workload so that you can do your best work.

Imagine an integrated workflow that takes care of scheduling, medical billing, claims, and more. Let CGM MEDISTAR mobilise your practice to run smoothly.

FINANCIAL FITNESS

Whether you're starting out or scaling up, CGM MEDISTAR lets you do it all from a single app!

Build a paperless practice, increase your cash flow and income through easy payments and reduced no-shows. CGM MEDISTAR has everything you need to practice profitably.

Rethinking patient care
