BillFlash
Getting You Paid

GETTING PAID
Has Never Been Easier

NexTrust's BillFlash platform helps practices **get paid more** and **get paid faster** with top-of-the-line billing and payment services that include:

Experience the BillFlash difference:

- Integrations with more than **100** billing applications
- No long-term contracts
- Unlimited monthly support

Mailed Bills
Painlessly send professional & customizable statements from your billing application, mailed the next business day after approval.

Online eBills
Free eBills are created with each approved bill and available the same day, notifying patients of responsibility sooner.

Text & Email eBill Notices
Send custom eBill Notifications via email or text that bills are available to view & pay, making it faster & easier for patients to pay you.

OfficePay & SelfPay Payments
Our secure payment gateways allow you to accept mobile, online, in-office, mail, & phone payments with popular features such as StoredPay, AutoPay, & PlanPay. Enjoy our merchant account or keep your own.

Integrated Collections
Easily convert past due A/R into payments. Let our Recovery Specialists ensure you get paid, so you can focus on patient care.

End-to-End RCM
From pre-claim services to patient payments and collections, our expert coders and billers will help maximize your practice's cash flow.
